# Studio Startup Palette

The easiest way to add color to bisque is with Duncan® Concepts® Underglazes for Bisque. With an easy-to-use color chart, featuring light, bright and dark color values, anyone can expertly enjoy the excitement of creativity!

## Product Features

- Largest color selection in the industry
  - 101 Concepts® core palette colors
  - 12 Concepts® Sprinkles colors
  - 113 Concepts® colors total
- Available in three sizes; 2 oz., 8 oz., and Pints
- Firing range cone 06 to 6

## Low Fire Product Application Instructions

- Shake well before use
- Dispense glaze onto a palette and apply with a brush or preferred decorating tool
- For full coverage use a Duncan Fan or Glaze Brush
- 1-coat coverage is translucent
- 2-coat coverage is semi-translucent or semi-opaque
- 3-coat coverage opaque
- Apply second and third coats when the previous coat loses its sheen
- Let dry and fire to cone 06

**Note:** Duncan® Concepts® Underglazes for Bisque is safe for use on food containers when applied to full coverage or when nontoxic, food-safe clear glaze is applied. Refer to the Mid-Range Performance Index at [www.DuncanCeramics.com](http://www.DuncanCeramics.com) for cone 6 firing details by color.
